

ONTHEBLOCK Privacy Policy

Last Updated: June 2026

ONTHEBLOCK provides a location-based alcohol community platform including recommendations, chat, and community features.

1. Information We Collect

Google sign-in information, profile information, location information, survey responses, chat messages, uploaded files/images, and diagnostic information.

2. How We Use Information

To authenticate users, provide recommendations, operate community and chat features, improve service quality, and maintain platform security.

3. Location Information

Location data may be used to provide nearby venue recommendations and local community experiences.

4. Data Storage

Data may be stored using cloud infrastructure, databases, and storage services operated by the platform.

5. Sharing of Information

We do not sell personal information. Information may be shared only when necessary for service operation or legal compliance.

6. User Rights

Users may request access, correction, or deletion of their personal data.

7. Children's Privacy

The service is intended only for users who meet applicable legal drinking-age requirements.
